Dear Business Friends,

Each year we look forward to joining with family, friends and neighbors for our traditional Fourth of July celebration. We strive to provide top quality activities and entertainment which will instill a sense of patriotism and create long lasting memories for those who attend.

We would be honored to have you participate in the parade; the theme is **“Honoring the Freedoms We Celebrate”**. If you have participated in the past, we look forward to another great parade entry from your business.

A parade application, parade waiver form, park booth application and temporary sales tax application are attached. Additional forms are available on the city website, www.fillmorecity.org. Be sure to have all participants on your parade entry fill out a parade waiver form.

Thank you for your support. It is businesses like yours that make Fillmore City such a great place to live.

Robert Reidhead, Chairperson
Fillmore City Celebrations Committee
