Meeting dates: 2nd Thursday 7:00 PM

Population: (est.) 326

County: Millard

Incorporation date: January 2, 1900

Scipio is thirty-seven miles southwest of Nephi. It was originally settled in 1859 with an early name of Round Valley for the oval shaped valley where the community is located. In 1861, the name Scipio was agreed upon for Scipio Kenner, and Brigham Young's Secretary Scipio Kennen.
